Complaints and Appeals Policy and Procedure

All students have the right to appeal decisions made by CAC where reasonable grounds can be established. The areas in which a student may appeal a decision made by CAC may include:

- Assessments conducted
 - Deferral, suspension, or cancellation decisions made in relation to the student’s enrolment
 - Or any other conclusion / decision that is made after a complaint has been dealt with by CAC in the first instance.
- To activate the appeals process the student is to complete a ‘Complaints and Appeals Form’ which is to include a summary of the grounds the appeal is based upon. The reason the student feels the decision is unfair is to be clearly explained. Help and support with this process can be gained from Student Administration Department.
 - The Training Manager shall then determine the validity of the appeal and organise a meeting with all parties involved in the matter and attempt to seek resolution where appropriate.
 - The process for all formally lodged appeals will begin within 10 working days of the appeal being lodged.
 - The Training Manager shall ensure that CAC acts on any substantiated appeal.
 - Where an appeal has been lodged it will be defined into one of the following categories and the appropriate procedures followed.

4.1. General appeals

- Where a student has appealed a decision or outcome of a formal complaint they are required to notify CAC in writing within 20 working days of the grounds of their appeal. Any supporting documentation should also be attached to the appeal.
- The appeal shall be lodged through student administrations and the Student Administration Manager shall ensure the details of the appeal are added to the ‘Complaints and Appeals Register’.
- The Training Manager shall be notified and shall seek details regarding the initial documentation of the complaint and shall make a decision based on the grounds of the appeal.
- The student shall be notified in writing of the outcome with reasons for the decisions, and the ‘Complaints and Appeals Register’ updated. The student shall also be provided the option of activating the external appeals process if they are not satisfied with the outcome. The student is required to notify CAC if they wish to proceed with the external appeals process.

4.2. Assessment appeals

- Where a student wishes to appeal an assessment they are required to notify their assessor in the first instance. Where appropriate the assessor may decide to re-assess the students work to ensure a fair and equitable decision is gained. The assessor shall complete a written report regarding the re-assessment outlining the reasons why re-assessment was or was not granted.
- If this is still not to the student’s satisfaction the student shall formally lodge an appeal by submitting a written letter outlining their reasons for the appeal. They shall lodge this with Student Administrations Department and the appeal shall be entered into the ‘Complaints and Appeals Register’.
- The Training Manager shall be notified and shall seek details from the assessor involved and any other relevant parties. A decision shall be made regarding the appeal either indicating the assessment decision stands or details of a possible re-assessment by a ‘third party’. The third party shall be another assessor appointed by CAC.
- The student shall be notified in writing of the outcome with reasons for the decision, and the ‘complaints and appeals register’ updated. The student shall also be provided the option of activating the external appeals process if they are not satisfied with the outcome. The student is required to notify CAC if they wish to proceed with the external appeals process.

should have extenuating circumstances as to why the decision should be reviewed and any supporting documentation supporting their appeal.

- The appeal shall be lodged this with Student Administrations Department and the appeal shall be entered into the ‘Complaints and Appeals Register’.
- The Training Manager shall be notified and shall seek details regarding the initial documentation of the decision and shall make a decision based on the grounds of the appeal.
- The student shall be notified in writing of the outcome with reasons for the decision, and the ‘Complaints and Appeals Register’ updated. The student shall also be provided the option of activating the external appeals process if they are not satisfied with the outcome. The student is required to notify CAC if they wish to proceed with the external appeals process.
- The Training Manager shall ensure that CAC will act immediately on any substantiated appeal. If the internal or any external complaint handling or appeal process results in a decision that supports the student, the registered provider must immediately implement any decision and/or corrective and preventive action that is required, and advise the student of the outcome.

5. External Appeals

If a student is still dissatisfied with the decision of CAC, a student may wish to refer the matter to an external independent / third party mediator.

- If an overseas student is not satisfied with the internal appeals process, they will be advised to request mediation through Overseas Student Ombudsman (OSO). Students will have 10 working days to lodge an appeal to the Ombudsman.
- A fee may be involved as per the Overseas Student Ombudsman guidelines
- To lodge an external appeal or complaint with the Ombudsman for international students, you need to lodge a complaint at the following address

Overseas students Ombudsman (www.oso.gov.au)
Web: www.oso.gov.au Email: overseas.students@ombudsman.gov.au Call 1300 362 072 (Local call charge) Enquiries 9 am–5 pm Monday to Friday Fax 02 6276 0123 Postal GPO Box 442, Canberra ACT 2601 calls from mobile phones are charged at mobile phone rates
If you want to make a complaint in your language you can. Call the Translating and Interpreting Service (TIS) on 131 450. Ombudsman will pay for the interpreter.

- If an appeal is against the CAC’s decision to report an international student for a breach of visa conditions, CAC must maintain the student’s enrolment (i.e. not report the student to DIBP) until the external appeals process is complete and has supported the provider’s decision to report.
- International students may only appeal once to an external mediator before CAC reports the student to DIBP. This does not stop the student from appealing more than once, but CAC reserves the right to report the student after the outcome of the first external appeal when the appeal decision has gone against the student.
- If an appeal is against the CAC’s decision to defer, suspend or cancel a student’s enrolment due to misbehaviour, the Institute only needs to await the outcome of the internal appeals process (supporting the Institute) before implementing its decision to change the student’s enrolment status.
- These complaints and appeal procedures do not restrict a student’s right to pursue other external remedies within the Australian legal system.
